# Three Park Tracts Given Travis County

Deeds to three five-acre park tracts located at the headwaters of Lake Austin near the Marshall Ford dam were accepted Saturday by the county commissioners court along with an easement for a special right of way to one of the parks.

The parks were donated by Mr. and Mrs. Fritz Hughes, Mr. and Mrs. Thomas B. Hughes, and Mrs. Selma Hughes.

The deeds stipulate that no concessions nor locations for business enterprises are to be given by the county commissioners court and any abandonment of the park tracts will result in reversion to the donors.
